# Binary Team Commissions

**Paid Monthly**

The MDC Binary is one of the most aggressive Binary plans in the entire Network Marketing industry. Not only does our comp plan **pay up to 20%** on your pay leg, but we are one of the only companies in the world that has a monthly earning potential of **\$1,000,000 per month with NO FLUSHING!**

We look at your strong leg volume and your pay leg volume and we pay you a percentage on your pay leg. Once that is paid out, unused volume is carried over to the following month.

To qualify for Binary Team Commissions, you must have a **minimum of 40BV** in personal volume, **90BV personally enrolled on your left leg, 90BV personally enrolled on your right leg**, and a minimum of **300BV in your pay leg**. At the end of the month, we look at your lesser leg and pay you a Binary Team Commission.

If you do not have **300BV in your pay leg**, your volume will rollover to the following month. Binary Team Commissions and other monthly commissions are paid monthly on the first Friday after the week in which the monthly period ends. See charts below:
